

Dear PASD Families,

We hope you will be a part of the 2017-18 PASD Home & School Directory!

What is the PASD Home & School Directory?

The PASD Home & School Association (HSA) creates an annual electronic PASD Home & School Directory of family contact information. The cost is \$5 and proceeds benefit the various Home & School Associations throughout the district. Enrollment is OPTIONAL. Here is an example of how your information will appear in the directory:

Gordon, Cindy	PAMS / 7	Joe and Carolyn Gordon	111-111-1111
		111 Gordon Drive	joegordon@email.com
		Gordon, PA 11111	

Directory Enrollment – Complete by October 1st

Directory enrollment is included in the Online New Student Registration or the Annual Student Info Update process in InfoSnap. Enrollment is optional. To ensure that each student in your family is listed in the directory, you must select YES for each student every year. Any questions or concerns about enrollment can be directed to pasdhsdir@gmail.com. Payment can must be received by October 1, 2017.

Note: If you have already completed the New Student Registration or Annual Student Info update for 2017-2018, you cannot access the form again. Please direct your questions to pasdhsdir@gmail.com.

All proceeds from the directory benefit the Home & School Associations across the district to make a meaningful difference in the educational opportunities offered to our students through assemblies, field trips, books, and much more. In 2014, the Phoenixville Area School District (PASD) Home & School Associations came together to create the first district-wide PASD Home & School Directory which now includes over 1,100 families and raises over \$4,000 a year. For any directory related questions please email us at pasdhsdir@gmail.com. We hope that the district-wide PASD Home & School Directory will continue to help build a sense of community spirit. As always, we appreciate your support of the PASD Home & School Associations.

Thank you!
