

# Home Access of Clever Through Office365

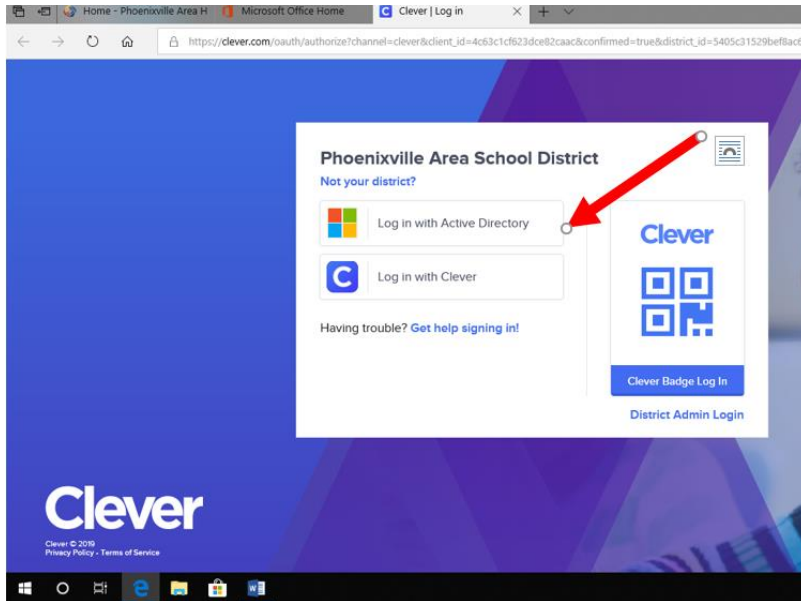

1. Have your child login to [Office365](#) using their PASD student email address and password.
2. On the Office365 home screen, click **All apps**

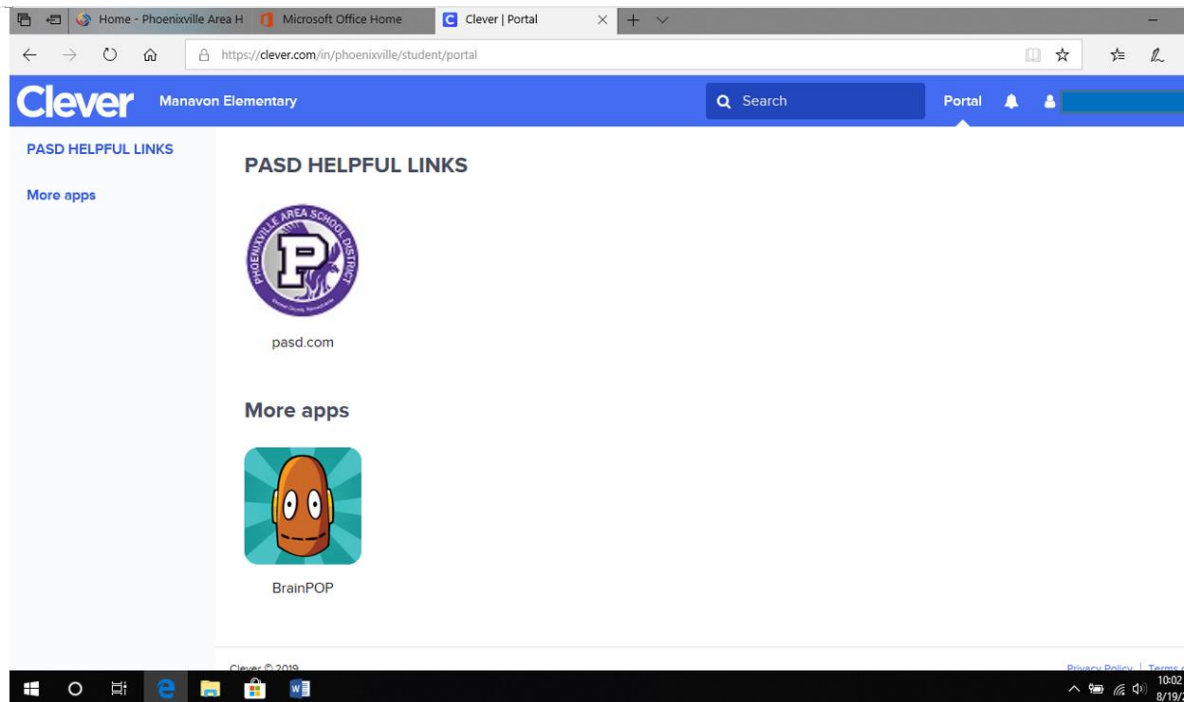

3. Click the **Clever** icon under **Your School** at the bottom.

4. A new tab will open for **Clever**. Click **Login with Active Directory**

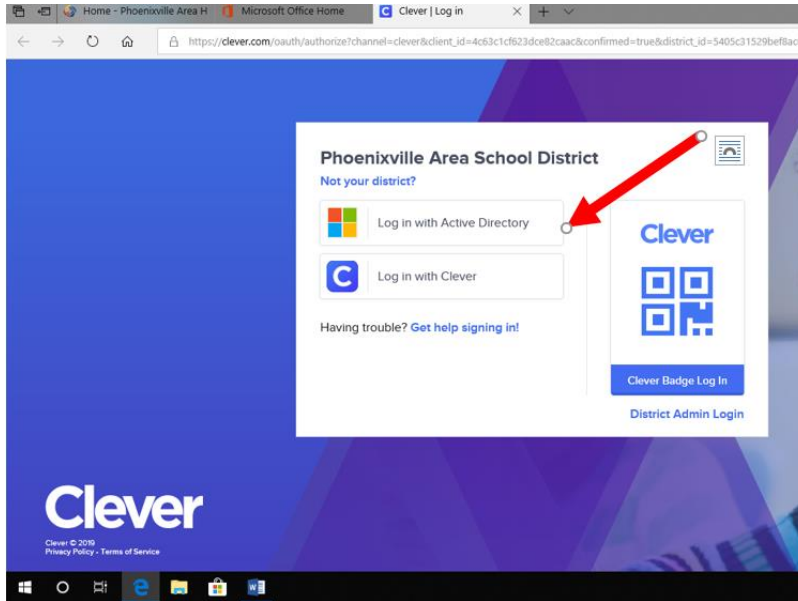

5. Your child will now be in their **Clever** portal to access their **Clever** integrated district provided applications. Should they be prompted again with the same screen as in step 1., have them click **Login with Active Directory** and it should take them right into the app.

# Home Access of Clever Through [Clever.com/in/Phoenixville](https://Clever.com/in/Phoenixville)

1. Go to <https://Clever.com/in/Phoenixville>. A new tab will open for **Clever**. Click **Login with Active Directory**
