

Dear Parents and Guardians,

Please see below for the required forms and documentation for your student(s). These documents which are required by the state are one of the ways we ensure your child is safe here at school.

Kindergarten, 1st Grade, and New Students: Physical form, dental form, and updated immunizations

2nd Grade: All forms not yet submitted from PAELC- physical form, dental form, and updated immunizations

3rd Grade: Dental form

4th Grade: Any 3rd grade dental form not submitted the previous year

5th Grade: Any forms or immunizations due from previous years

6th Grade: Required physical form and updated immunization records

7th Grade: Record of required Tdap and MCV vaccines and dental form

8th Grade: Any forms not yet submitted from last year and updated immunization records

9th Grade: Any forms not yet submitted from Middle School, especially record of MCV and Tdap vaccines typically given in 7th grade

10th Grade: Any forms not yet submitted from last year and updated immunization records

11th Grade: Required physical form and updated immunization records

12th Grade: Record of required second MCV vaccine

- Physical and dental exams performed by your physician **within 12 months prior to the first day of school are acceptable as are sports physicals.** If you prefer to have your child examined by the school physician and/or school dentist, the exam will be conducted sometime during the upcoming school year.

- If your child has received any immunizations within the past year, please submit those as well for our records. The PA Department of Health vaccination requirements can be found at <https://www.health.pa.gov/topics/Documents/School%20Health/SIR8.pdf>

Additionally, if your child receives vaccination for COVID, please send proof of this to the School Nurses' office of your student's school building.

- All physical forms, action plans, and medication forms can be found on each school's website under the Health Services Department tab. Please submit required documentation within the first week of school to the Nurses' Office if these apply to your child.
- Please also ensure that your child's 2022-2023 Health Form is completed in Skyward. This provides us with your permission to administer treatment your child during the school day

Thank you for helping us to care for your child!

Sincerely,

The Phoenixville School District Nurses
